TENNESSEE'S MAYBERRY

April 25 — \$TBA

Step back in time and “sit a spell”! In Historic Granville you will find a hidden gem known as Tennessee’s Mayberry Town. This quaint little Southern town is filled with tributes to times gone by. We will visit the Clemons Garage, Southern Shops, Whistle Stop Saloon, Granville Whiskey Decanter Museum, Mayberry & I love Lucy Museum. I haven’t even mentioned the Farm to Table Museum, Sutton Historic Home Pioneer Village with antique car museum, 1880’s cabin and vintage farm tools.

Motor coach, admission, lunch and all gratuities are included.
